Group Reservations Group reservations start at 6 guests (typically 3 rooms). Open-Air Concept We're proud to be a smaller property and our unique design offers significant benefits related to Coronavirus safety. All available rooms have exterior entrances and do not require you to enter a building or ride in an elevator; stair access is open-air. Each of our guest rooms have ductless air conditioning and heating, which means that venting is not shared between rooms. You can also walk from your parking spot to your isolated room without sharing air with anyone.
